Seeking Lions: An Afternoon with Kenneth Bonert

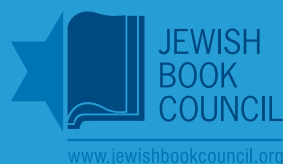

In *The Lion Seeker* and *The Mandela Plot*, two powerful novels full of raw, vividly-drawn characters, Kenneth Bonert has explored the unique and fascinating story of the Jews of South Africa. In this talk he explains why he became a novelist and the inspiration that he drew from growing up in Johannesburg. He'll talk about the history of his family and of the Jewish community in South Africa. He'll also reflect on his literary goals such as capturing the authentic voices of his characters and examining their moral and political struggles.

Books will be available for purchase and signing after the talk.
